In the faith tradition I affirm, it is stated that 2000 years ago a man named Jesus (among many others who in all their various ways embodied the spirit of God) proposed challenging authority in the name of peace, love and justice, which were for him as for me, the Kingdom of his Father. I applaud *SR* for carrying on, in its own ways and according to its own lights, in support of these values for its first one hundred issues—and wish it a hundred more!
